FINANCIAL WELLNESS

Redefined

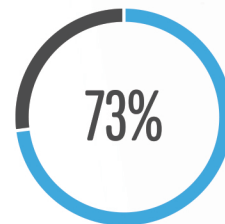

HUMAN INTERACTION • ENGAGING TECHNOLOGY • EDUCATIONAL RESOURCES

NATIONAL CRISIS

It's no secret that financial concerns keep Americans up at night, and for good reason. The fact is, 46% of America's workforce has saved less than \$10,000 towards retirement. What's more, 60% don't have \$500 set aside in case of an emergency.

of Americans live paycheck-to-paycheck

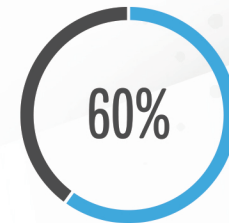

of financially stressed employees say they would be attracted to another employer that cares more about their financial well-being

of financially stressed employees spend 3+ working hours dealing with personal finances

of employees who are stressed by their finances said it has had a negative impact on their mental health

of workers are stressed about their finances

SOLUTION

Financial health, not wealth

Mentoro offers a turn-key solution to address employee financial stress. This simple, affordable option helps employers create a happier and more productive workplace. Our program is a purposeful blend of human interaction, engaging technology, and educational resources for the members.

WHY MENTORO

Award-Winning Solution

Mentoro is a national provider of the first all-inclusive personal finance platform that focuses on instilling healthy habits through education. By utilizing engaging technology and interactive personal coaching, we make understanding your finances easy and affordable.

Brought together by a passion to help others, our mission is to fill the void of absent resources by offering tools and guidance to everyone, regardless of income, status, or life event. Our solution has proven effective in achieving financial wellness for our members and enterprise partners. Mentoro is changing the way people think about their money and the way employers feel about their people.
